

# *Raising the Bar Donation Opportunities*

## Purpose

The Campaign seeks to purchase space to house the Burlington County Bar Association and Foundation to expand our mission of serving the attorneys of Burlington County, improving the administration of justice, and fostering and maintaining the honor and integrity of the profession of the law. The Campaign also seeks to equip the space with the appropriate furnishings to enable us to provide the programs and services we envision.

## Why an Expanded Bar Headquarters?

- To enlarge the meeting facilities to enhance our capacity for hosting CLE programming, especially in light of Mandatory Continuing Legal Education, as well as other networking events. Presently, we have to use outside resources for all CLE programs and networking events.
- To establish the Burlington County Bar Association as a “home away from home” with additional deposition and meeting room capabilities for attorneys.
- To host our ever-growing Free Legal Advice Day for senior citizens, which monthly serves some 40+ seniors, and provide adequate handicapped-accessible facilities.
- To provide staff with larger and more functional operation space.
